Marble Score Guide

MBS 3-4 Beef with a twist. Lightly flecked intramuscular fat deposits that improve texture and add the Wagyu flavour profiles whilst letting the beef flavour play the lead role.

MBS 5-6 It's Wagyu but it won't leave you over indulged. We believe this is the perfect balance of beef and Wagyu giving you the optimum mouthfeel & flavour notes. Rich, sweet, elevated eating experience that isn't overpowering on the palate but lets you know you're eating one of the most revered breed groups on the planet.

MBS 7+ We're getting serious now. For those that desire the richness and decadence of Wagyu all while clearly enjoying beef. Our MB 7+ range is the pinnacle of our product displaying exactly what you would expect of wagyu.
